Dog Adoption Fees

Puppies - \$135.00 Under 6 months of age Adults - \$110.00 6 months to 6 years Senior Dogs - \$55.00 over 6 years

Adoption Fee includes these services IF THE ANIMAL IS OLD ENOUGH TO RECEIVE THEM: heartworm test, de-worm, distemper vaccination, microchip, veterinary exam and spay/neuter

About Spay and Neuter:

All dogs from SCHS MUST be spayed or neutered. In most cases animals will already be spayed or neutered before you come to pick them up.

If the animal is not spayed or neutered at the time of pick up, we will make arrangements with you to return to SCHS for the surgery. You may be charged a security deposit to ensure that you come back for the spay or neuter of your pet. Once the spay and neuter is complete and you come to pick up your pet after the surgery, your deposit will be returned to you.

If you live outside of Sheboygan County, we will make arrangements with you and your vet to have your pet spayed or neutered. We will charge a spay or neuter deposit of \$100. When you provide us with proof of spay or neuter, we will return your deposit.

OR

You may also make arrangements with us to keep your adopted pet until we can schedule their surgery at SCHS. This may take several days. You can pick your pet up and complete the adoption once the surgery is completed.

Rabies Vaccines:

Rabies Vaccine is \$15 extra. Wisconsin State Law REQUIRES that all animals over five months of age must be vaccinated for rabies. You must vaccinate for rabies in order to license.

Licenses:

You MUST license the dog in your community. If you live in Sheboygan County, your licensing fee is collected based on the amount charged by your township, village or city. If you live outside of Sheboygan County, your adoption contract with us requires that you license your dog where you live.
