**Osthoff Resort and
Conference Center

About the Conference

Act 90 was signed into law by Governor Jim Doyle on December 1, 2009. The law is scheduled to go into effect in June 2011.

Spend a day with Dr. Yvonne Bellay, State Humane Agent from the Wisconsin Dept. of Agriculture, Trade and Consumer Protection (DATCP) to learn and understand how Act 90 and the Administrative Rules attached to the law will affect the work you do for dogs in Wisconsin.

Meet Jeff Smith, author of Act 90 and strong advocate of laws that protect animals.

Learn directly from an expert in insurance coverage for animal organizations, Patti Blaschka of Veitenhaus Insurance Services. Patti will discuss new insurance programs available to protect animal care givers and organizations. Learn ways to protect your caregivers and foster homes, and those who are tasked with running your organization.
