

Yankee Dooley says:

**"I want YOU..."**

Yankee Dooley, 2008: What a difference a good home makes!  
Dooley was pulled from the 10 March 2007 Thorp dog auction as being "unsaleable" because he was so ill.  
His attitude at the time of his rescue was, "I just wish I were dead."  
Dooley was less than five years old at the time.

**...to help end the suffering in  
Puppy Mills!"**
